Forecast for Thursday 27 Jul 2023

Weather: A lot of cloud through the day with rain in the morning. Rain becoming light and patchy in the afternoon although the odd heavier shower may break out for a short time.

Chance of cloud-free hill tops above 800m: 30%, best chance in the sheltered across Monadhliath and north of the Cairngorms in the morning

Low cloud and visibility: Poor visibility in extensive low cloud down to 600 to 900 metres throughout, although the north of the area may be afforded some shelter especially in the morning. Cloud lifting and breaking a little from late afternoon.
